FIG. 8A

FIG. 5 is a perspective view of the roller assembly 12. The assembly includes four rollers 562 arranged in a 2x2 grid. Each roller is mounted on a frame 564. A central drive mechanism 580 is shown, consisting of a central shaft 572 with gears 568 and 574. A dashed line 575 indicates a vertical centerline. Arrows indicate the direction of rotation for the rollers.
